

ANIMALS IN SCHOOLS

CLASSROOM / BUILDING

The governing board recognizes that some students have a moral objection to dissecting or otherwise harming or destroying animals.

Students will not be discriminated against for a decision to exercise this right.

The accommodation of students' requests for alternative educational projects will be left to the discretion of the administration and teachers.

ANIMALS ON GROUNDS

When an uncontrolled dog or other animal is discovered on school property, the principal or designee(s) should call the animal control officer or local law enforcement.

In the event of an animal bite, suffered while the animal is being removed from or controlled on school premises contact Administration and/or seek medical attention. After medical attention has been given, the BSCS Injury Report should be completed and turned into the Administration Office.
