

BUILDINGS AND GROUNDS INSPECTIONS

The Superintendent/CEO will be responsible for the general safe operations of the buildings and grounds and will periodically assist in their inspection for safety hazards.

At least annually, the Superintendent/CEO will assist an inspector of the department of public safety in the inspection of school buildings and grounds for fire safety hazards.

Violations to fire protection laws and other safety hazards will be reported to the Superintendent/CEO and corrected to ensure the well-being of all students, staff and the general public on school property.
