

SCHOOL BUS SCHEDULING AND ROUTING

The Superintendent/CEO and the transportation supervisor/bus driver will conduct studies of bus routes to provide the safest, shortest routes that will get all children to school in the most economical way. Routes will be arranged in such a way as to equalize as nearly as possible the length of routes and bus loads, and to provide for the full use of buses.

Buses will not go off the main route to pick up children. Children will not be allowed to get off the bus until reaching their destination.
